Authorship of New Zealand College of Public Health Medicine Policy Statements and other substantive material

New Zealand College of Public Health Medicine (NZCPHM) policy statements are developed by members and staff of the College. Individual policy statements acknowledge named contributors outside of the College, but do not record College members or staff.

This document summaries the main authors of College policy statements, and they are available on the College website <u>here</u>.

The College's advocacy document Health for Everyone $| \bar{O} T \bar{a}$ tou Hauora is on the home page of the website.
