We are seeking a Public Health Medicine Registrar for Hawke's Bay District Health Board who shares our values of **He kauanuanu** - Respect, **Ākina** – Improvement, **Rāranga te tira** – Teamwork and **Tauwhiro** – Care.

We are offering a one year registrar position within the Health Improvement & Equity Directorate of the Hawke's Bay District Health Board from July 2021. This placement is between 6-12 months (part-time option available).

We are looking for someone interested in working with a highly innovative and experienced team focused on reducing inequalities and engaging effectively with stakeholders and community. Two public health physicians in addition to the wider team will be available to train you in core aspects of public health practice such as communicable disease control and environmental health. The position will also provide opportunities to gain experience and training in emerging areas of practice such as water resource management, informatics, alcohol harm reduction and mental health promotion.

Hawke's Bay will provide both challenges and opportunities as we focus on transforming our engagement with iwi and hapu in a post treaty settlement environment. The work will be challenging but you will be well-supported by a friendly service and DHB.

Hawke's Bay, on the east coast of the North Island of New Zealand, is famous for its warm and sunny climate and bountiful produce. The region's population of 166,000 is spread between the twin cities of Hastings and Napier, and the surrounding countryside and towns. The region is undergoing significant growth and is a great place for families with a number of excellent state schools and easy access to recreational opportunities. Overall Hawke's Bay offers an enviable lifestyle for you and your family - you won't want to leave! For more information on Hawke's Bay's lifestyle see here. <https://www.hawkesbaynz.com/>.
